

THE "SWINGING SISTERS" contingent from St. Michael's school under the direction of Sister John Margaret, at the ivories, hit it on the downbeat after cutting their first commercial record. Left to right they are, Sister Agnestine, Sister Mary Leo, Sister Mary Eustace and Sister John Cecilia.

"Swinging Sisters" Cut Pop Record For Market

It's a long leap from the convent to Tin Pan Alley, but the "Swinging Sisters" are on their way.

Early in August 40 Dominican Sisters cut their first commercial record. That was at the Mother House in Allston, Mass., and five of the group were from the faculty of St. Michael's School, Orland Park.

And for a group whose only brush with the Beatles has been "those pesky little bugs which infest the convent rosebushes," do these sisters swing!

Their pop repertoire includes a Negro spiritual, two ballads and a ... TWIST ... a tempo thus providing a background for the sisters to launch into the hand-clapping, toe tapping "Beatitude Song."

The refrain recounts their conviction that, "I'm goin' to heaven, I'm goin' I know, I'm goin' to heaven, yes ---"

Dry Weather Fire Hazard

Fields and woods are so dry that a carelessly thrown cigarette or match can set off fires that could spread to homes and buildings, area fire department head warn, and urge utmost care in burning brush, leaves or crop residue.

Serious fires have broken out in timberland of Southern Illinois and the hazard is also here in the northern section, it was pointed out.

With the hunting season now open there is another possible source of fire. Fire chiefs urge hunters to be careful, especially if they build cooking fires.

The weather has been so mild that some groups are still having picnics and building fires to prepare part of the meal. The authorities ask such groups to make certain that their fires are extinguished and all embers dead when they leave.

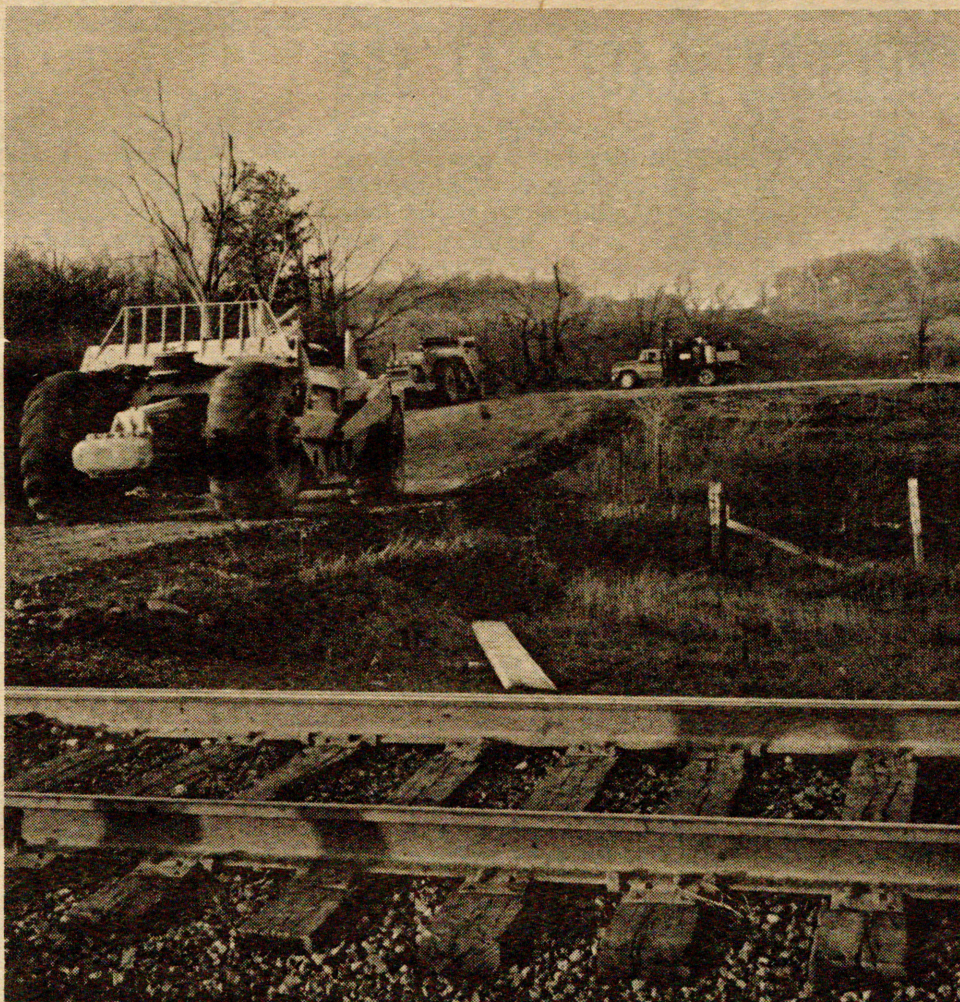

Gas Thieves Turn Vandals

Complaints from residents of the rural sections have trickled back into the villages relative to a recent wave of depredations that has caused loss and damage of property.

Hooligans have been stealing gasoline at various farms, it is said, and when victims have taken steps to halt further thefts the hoodlums have hit back thru destruction of property, it was stated.

There are reports of farm machinery damaged, tools stolen or broken, oil supplies carried off or broached to flow out on the ground.

Sheriff's deputies are investigating.

WORK ON first grade separation for I-80 in Will county east of Joliet is now underway along U.S. 30 west of New Lenox. Many months will have passed, however, before the work is completed. At this point the transcontinental east and west expressway known as Interstate 80 will pass over Hickory creek, the Rock Island tracks and U.S. 30. A full cloverleaf junction between Rt. 30 and 80 is not planned, it was announced sometime ago by the engineers. Traffic will cross in front of traffic on U.S. 30.

New Lenox people are urging the highway planners to give them access to I-80 thru a grade separation north along Cedar road, contending that such a junction will be necessary to relieve traffic congestions.

Francis road, it is said, is scheduled to be carried over I-80 at the point where it is joined by Sievert road coming from the north.

About three-quarters of a mile south of U.S. 6 the new Illinois 53, which is also an interstate highway it is said, is scheduled to feed into I-80. (Graphic Newspapers photo)

Physical Fitness Tests In Full Swing At L-W

Operation Fitness!!!

Each fall and spring the American Association of Health, Physical Education, and Recreation physical fitness tests are administered to all Lincoln-Way high school students. A four year cumulative record is maintained for each student, so he may follow his progress.

Fitness merit emblems are earned by students who exceed the eightieth percentile (girls) and the eighty-fifth (boys) on all events of the test. Seniors compete for the emblem in the fall and underclassmen must pass the test in the fall and spring to win an emblem. This fall eight senior girls and six boys earned the first year emblem, and six girls and two boys earned the second year award.

The physical education department at Lincoln-Way endeavors to accomplish "fit-

ness" thru the content of the physical education curriculum and allied activities. Time is provided in each class period for calisthenics which are geared to strengthen all muscle groups of the body.

All activities contained in the L-W program also contribute in some manner to fitness. After completing the fall sports program of archery, field hockey, speedball and soccer, girls participate in basketball. Boys engage in a six-weeks gymnastic unit after the completion of their fall program of flicker ball and touch football.

Jerome Wiedman, gymnastics coach, and physical education director, has developed a six-weeks gymnastic unit for both boys and girls. Miss Barbara Federman, girl's P.E. chairman, assists Mr. Wiedman in providing a well rounded physical education program at Lincoln-Way.

Because the term "physical education" is thought of incorrectly by many lay persons, the true meaning of P. E. is clarified for the student at the beginning. Contrary to the belief that

physical education is concerned only with varsity sports, muscles and perspiration, body building, and calisthenics done to the cadence of "1, 2, 3, 4"; Lincoln-Way students are taught P. E. with this philosophy in mind:

"Physical education is a working part of a student's total education aimed at developing him physically, mentally, emotionally, and socially, thru physical activities which have been selected with a view of realizing these outcomes."

Each class is divided into groups with each group spending two days on each activity. With four activities in a group it takes eight days to complete each unit. The ninth day is a free play day when the students may work on any of the four activities in the unit. On the tenth day a written test is given.

Having completed the twelve activities each student is required to take a practical test, during which he picks three activities and performs a routine consisting of five stunts. These performances are judged on the basis of five points for each activity. Total points on all three activities determines letter grades for the practical tests.

When the students finish their gymnastic unit they will have completed three written tests, a gymnastic notebook and have participated in a practical test, not to mention sore muscles, hands, and a great deal of knowledge, which comes from hard work.

Here's Chance To Win Turkey Without Cost

Twenty area merchants are participating in the third annual turkey giveaway in preparation for Thanksgiving.

This is really a giveaway, it was pointed out, because there is no need for anyone participating to buy anything in order to have a chance at the turkeys. And by the same token - because there is nothing to buy a ticket or merchandise nor any obligation to be present - it is not a lottery. The only thing one has to do is write his or her name on one of the coupons appearing on the turkey page in this issue and deposit it in a container in the merchant's place of business. In fact, there is nothing to prevent anyone from depositing a coupon in each and every store involved.

Since there are 20 merchants involved there are 20 turkeys to be given away and if you are lucky, one of them may be yours.

The annual business meeting of the Maple Street Arbor of Gleaners was held Friday night at the Homer town hall. Vice-chief Gleaner Royal Corp presided. Officers elected were Eugene Anderson, chief gleaner; Wilbur Francis, vice-chief gleaner; Virginia Sass, secretary-treasurer; Beatrice Coe, chaplain; Arlene Welter, lecturer; Bruce Anderson, conductor; Laura Anderson, conductress and Harlow Jungles, guard. Elected on the Good Cheer committee were James D. Frazer, Virginia Sass and Arlene Welter. It was voted that the Arbor participate in the combined installation at the Limestone school, five miles west of Kankakee, on Nov. 21.

Mrs. Glenn Smith opened her home to the Marley Woman's club on Nov. 12, for the regular monthly meeting. Mrs. Smith was assisted by Mrs. Robert Parchem. Dessert-coffee preceded the

Two Farm Residents Wounded By Hunters

Two area residents were shot Sunday as hundreds of so-called hunters swarmed into the countryside, presumably in quest of pheasants, the season for which opened last Saturday.

Neither of the persons hit were seriously wounded, Edward Hill, 191st st., east of U.S. 45, a brother-in-law, Charles Hocht, who lives west of U.S. 45 on 191st and Ginder Hocht, 10-year-old son of Charles, were hunting on the property farmed by Hill when they were caught in the fire of unwanted and uninvited hunters. Hill was struck in the neck and his nephew was hit in an ankle. The shooters happened to be far enough away that the victims

Robert Jahneke of the Bell Telephone Company presented the program, "Communication Prologue To Tomorrow."

The December meeting will be the annual Christmas dinner party. It will be held at 12 o'clock noon on Dec. 10 at the Blue Willow on Route 7, Lockport. Members are to reveal themselves with gifts to their secret pals.

The Twelve Trumps met Tuesday night at the home of Mrs. John Peceniak. Prizes were awarded to Mrs. Loren Sass, Mrs. John Riley and Mrs. Royal Corp. The next meeting will be the Christmas party on December 1st at the home of Mrs. Sass.

Farmers were complaining this week that their places had been overrun by gun-toting groups and that it was with considerable difficulty that they finally got rid of them. One landowner said he had to put the same man off his place three times before the intruder finally became convinced he wasn't wanted.

Lillian Landek, Peotone, Rites Saturday

Mrs. Lillian E. Landek, 63, of Peotone, died Tuesday, Nov. 10 at Silver Cross hospital, following a lingering illness.

She was born March 19, 1901 in Peotone. She was a daughter of the late Conrad and Emma Andres.

Maude Larson, N. Lenox, Dies; Rites Nov. 11

Mrs. Maude Larson, 66, of 111 Michigan road, New Lenox, died Sunday, Nov. 8 in her home, following a lingering illness.

A native of DeWitt county in Illinois, she had resided in New Lenox for the past two years. Her husband Clarence is an employe of the Don McNabb machine shop in Joliet.

Besides the husband, survivors include a daughter, Mrs. John (June) Stebar of New Lenox; a son, Arthur Ray Larson of Clinton, Ill.; two sisters, Mrs. Harvey (Fern) Woizeski and Mrs. Chauncey (Zella) Shoemaker, both of Clinton; and a brother, Frank Snodgrass of Sutter.

Services were held Wednesday, Nov. 11 at the Herington - Calvert Funeral Home in Clinton. Burial was in Clinton.

which is limited, has been swamped by calls from various parts of the county from indignant and fearful farmers having difficulty in protecting their property, livestock and families, it was pointed out.

Farmers complain that hunters ignore the "no hunting" and "no trespassing" signs and advise the owners or tenants to get lost when told to leave.

"While you are getting one bunch off," one farmer said, "two other groups are probably getting on and before you can catch up with them the first outfit you packed off will be back again."

She was married Aug. 27, 1921, in Green Garden Twp.

She resided her lifetime in Peotone - Green Garden area and was a member of the Green Garden Methodist church and the WSCS.

Survived by her husband Arnold V. Landek; one son, Arnold A. of Hazel Crest and two granddaughters.

Services were held in the Green Garden Methodist church Thursday, Nov. 14, conducted by Rev. Thomas M. Hardwick. Burial was in the church cemetery.

WATER RESOURCES of Mokena are good and should meet the needs of the area -- even in the face of a mushrooming growth -- for some years to come, members of the Chamber of Commerce were told at their meeting in Doc's cafe. The speaker (right) was George Dvorozniak, an engineer of the Chicago Bridge and Iron Co. At the left is Marvin Weiten-dorf, a member of the village board who attended the meeting as a representative of the village in which he is the water commissioner. In the center is Marcia Miller, advertising agency head who is secretary of the Mokena Chamber of Commerce. Mr. Dvorozniak showed movies of construction of water facilities and discussed the potential water supply of the area. Joliet and Lockport are facing a critical shortage of water he said inasmuch as the supply for the deep wells on which they depend for most of their supply is dwindling. The area in which Mokena lies gets its water from shallow limestone beds, he said. One of the major points considered by industries in selecting plant locations, it was pointed out, was assurance of a good water supply. Mokena has this to offer, it was pointed out.

It seems to us there is a book with the title "Dangerous Days." One could apply the same words to the period we are now in without any infringement of copyright, especially if not started with capital letters.

When we speak of dangerous days we mean the pheasant season is on, the deer season is either here or just around the corner, and beginning Nov. 24 rabbits make the eligibility list.

All this adds up to a pas-sel of hectic days and nights for the farmer. We know that one isn't supposed to shoot pheasants, deer, rabbits or big mouth bass at night but do the hunters know it, and if they do will they pay any heed to it?

As far as we can deter-mine there are two kinds of hunters -- the courteous, considerate type who does not trespass and doesn't shoot at anything he shouldn't shoot at -- such as cattle, chickens or members of the farmer's family. Then there is the other kind -- if someone wants to call him the "ugly hunter" we will not raise any objections -- who ignores property rights and shoots at anything and everything.

We have no idea as to the numerical strength of either type. If one were to make a guess based on the manners displayed by people in crowds and while driving automobiles, one might say that the inconsiderate hunters are in the majority.

However, it may be the good guys are more plentiful. It may be that one just hears more about the bad guys.

But each pheasant season brings a lot of complaints. Trigger - happy bands that apparently don't know a bird from a cow take to the fields bent on shooting something.

They ignore "No Hunt-ing" signs and "No Tres-passing" signs and there are numerous instances in past years of landowners being told to mind their own business when they have personally told unwanted hunters to leave their premises.

Some of these rovers even come within range of villages with some of the shot striking houses. That shot striking homes is old hat to farmers and individuals who have chosen to live in rural sec-tions.

The prudent rural resi-dent, like the residents of Florida and the West Indies when hurricanes are ramp-ant, should take steps at the approach of the hunting season to protect the members of his household.

Heavy wooden or steel plate shutters would not only save window glass but also might save someone in the house from a gunshot wound.

Protecting livestock, poul-try and pets would be an al-most impossible task unless one could ring his holdings with a high concrete wall.

That would be an expensive undertaking. In fact it would be cheaper to move to some-place where there are no pheasants or quail.

I knew a man in Arkansas who lost a ram and a bull to hunters who were unable to distinguish them from quail.

Maybe the state conserva-tion department could be of assistance. The department could issue an illustrated book, something on the order of a reader for the primary grades.

"This is a cow," it could say and then show a picture of the animal.

"This is a horse," with a picture of one.

"This is a sheep," with picture of same.

"This is a man," and show a picture of a farmer.

"This is a house," with a picture of a house, etc.

And then it could have a picture of a hen and cock pheasants, and label it plain-ly:

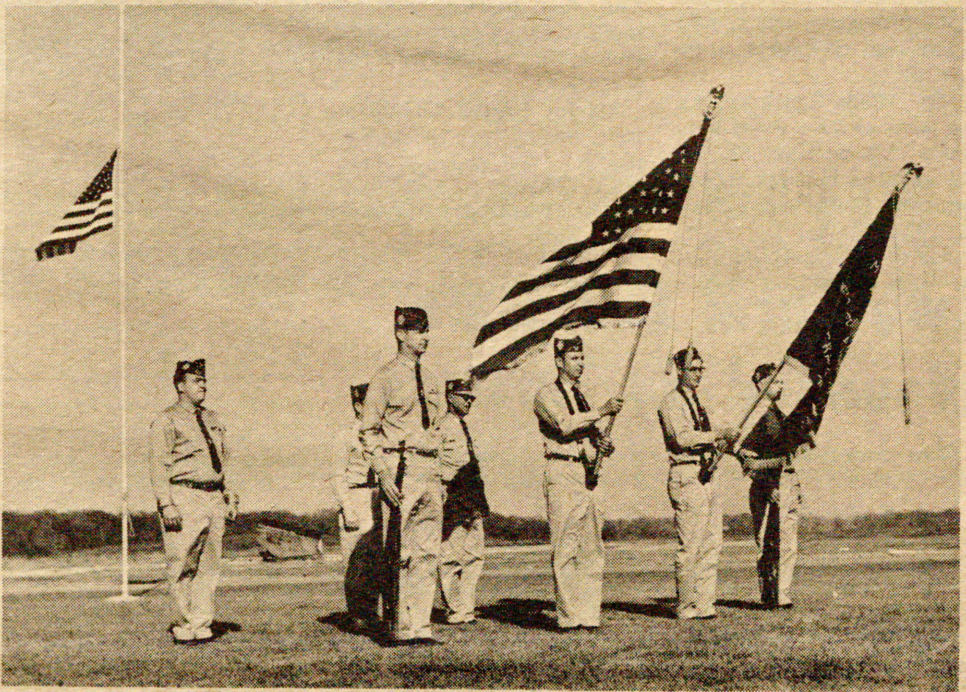

"These are pheasants."

These books would be handed to applicants of hunt-ing licenses, with instruc-tions to return in 10 days for an examination, using the interim for study.

Then when the applicant returned and was able to show that he could distin-guish between horses, cows, sheep, houses, farmers, dogs, children and pheas-

The lop-sided political victory is being closely

ants, a hunting license would be issued.

But it is doubtful if this method would work with deer and the deer season in Illin-ois opens Nov. 24 and runs to Dec. 31. Hunters have been mistaking deer for men and cattle for years and probably will continue to do so.

Perhaps it would help if the deer could be persuaded to wear red hats.

watched by the business and finance community.

Quite a number of groups are claiming a substantial part of credit for the Demo-cratic success at the polls and not least of these are the labor unions. Certainly the well-organized and well-fin-anced union activity was a big factor. It is likely that labor leaders will occupy important posts.

The power going with be-ing chief of a large union, will attract many aspirants. In some areas this ambition to win popularity of rank and file, will be very competi-tive.

Automobile unions receiv-ed new contracts which ex-ceeded the reputed govern-ment guide lines which had been set to minimize in-flationary impact on the price structure.

Four days before the elec-tion, Joseph Germano, dis-trict director of the largest section of the United Steel-workers, announced to the delegates at the district con-ference in Chicago, that the union would demand substan-tial wage and fringe in-creases when contracts are reopened Jan. 1, 1965.

According to news dis-patches, union officials state that wages and benefits now average about \$4.37 per hour.

To some observers, the announcement of this demand

for wage increases by Mr. Germano rather than David McDonald the chief of the United Steelworkers, is the first salvo in Germano's ef-forts to unseat McDonald. The steelworkers are reput-ed to have a particularly well-knit and disciplined or-ganization of officials who participate actively in polit-ical matters of states a-round the Calumet area.

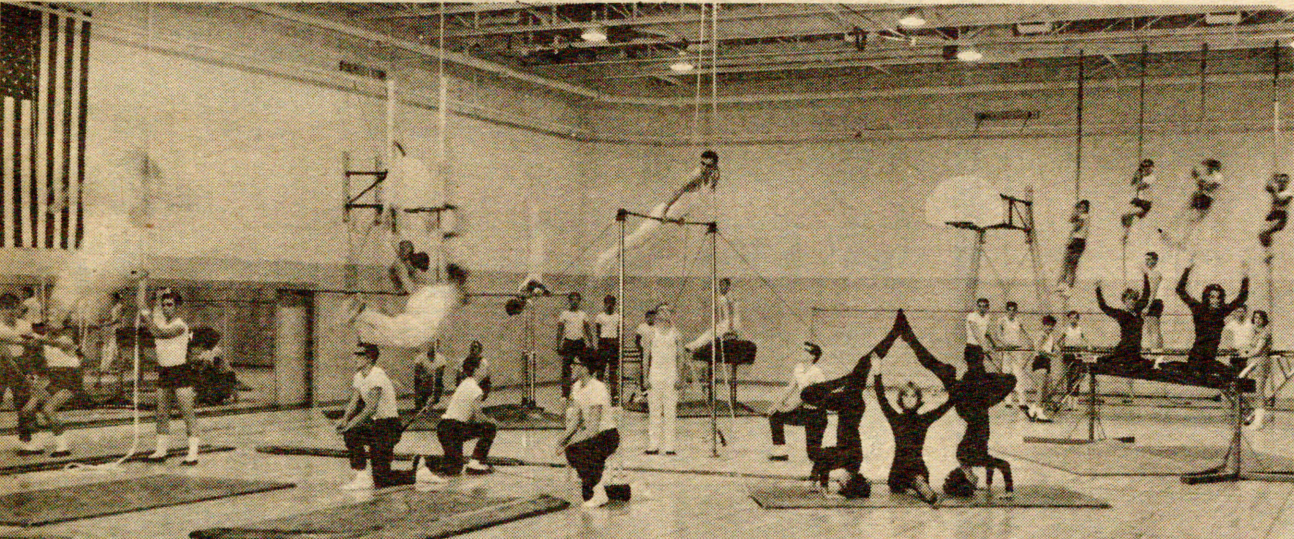

For some time there have been rumors that if the ad-ministration won the elec-tion by substantial majority, it could be expected that the Federal Reserve Board would become less inde-pendent in its moves and act rather in concert with ad-ministration plans. In the past the Federal Reserve Board has been rather stern in some of its efforts to con-trol inflationary trends.

Investment services are less certain of the business activity after mid-1965. These services seem to be-lieve that any slowing down in business activity will be mild and probably of short life.

The rapid changes in the world situation would seem likely to make it difficult to reduce defense spending to any large extent.

Mokena Woman's Club Group Sees Food Demonstration

Eight members of the Mokena Woman's club represented the local group at the Northern Illinois Gas holiday foods demonstration presented by the Peotone Senior Woman's Club, Friday, Nov. 13, in Peotone. Attending from Mokena were: Mesdames Walter Welsch, Alan Vredenburg, Franklin Weber, Robert Best, F. Berle Needham, Lawrence Kohl, August Bueltmann, and Louis Richards. Six of the ladies that morning browsed thru the antique sale at the Will

County Atrium prior to attending the food program.

The Mokena Woman's club will meet at the home of Mrs. Robert Best Dec. 14 at 8 p.m. Members are reminded that at this meeting donations are made to the Lincoln-Way Nurse's scholarship. Mrs. John Robertson, first vice pres., announces that the December program will be selected Christmas readings presented by Miss Jo Van Rheeden, followed by group carol singing.

Miscellaneous Shower Is Given For Linda Poljak

A group of relatives and friends from Frankfort attended the miscellaneous shower given for Miss Linda Poljak of Downers Grove, in the home of Mrs. Joseph Ficker at Tinley Park Sunday afternoon.

Assisting her sister as co-hostess was Mrs. Leverne Mark of Galesburg. Upon arrival of the bride - elect a corsage of white carnations was presented to her. During the afternoon various games were played with duplicate prizes awarded. Later the many lovely gifts

were opened by the honored guest.

A luncheon was served from a table covered with a white linen cloth, centered with a bridal pagoda flanked by single candelabra.

Guests were from Frankfort, Downers Grove, Cluver, Ind., Galesburg, New Lenox and Joliet.

Miss Poljak will become the bride of Douglas Heisner, Saturday afternoon, Dec. 12 at 3 p.m. at the First Methodist church in Downers Grove.

L-W Band Boosters To Give Card Party

Beginning with fall activities the Lincoln-Way Band Boosters will sponsor a public card party Saturday, Nov. 21 at 7:30 p.m. in the school.

Progressive pinochle and bridge will be played. A donation of \$1 per person will be charged.

Special features of the card party will include a traveling and door awards plus high score awards.

Chairman of the event is Mrs. Burnett Schramm, Frankfort with the following members assisting: Mrs. James Hammond, New Lenox; Mrs. Conrad Mark, Manhattan and Mrs. Raymond Westlund, Mokena.

Proceeds from the event will be added to treasury to further aid in the functions of the club.

Refreshments will be available during the evening.

LIMITED TIME OFFER—SEE YOUR DEALER

Now save up to \$60 when you buy a new electric dryer

Right now—just as outdoor drying starts to get its worst—Commonwealth Edison and Public Service Company, in cooperation with your appliance dealer, offers you a chance to save up to \$60 on any new flameless electric dryer. You'll get the \$20 to \$40 you normally save when you buy an electric dryer instead of gas—plus a special cash discount of \$20 from Commonwealth Edison.

What's more, flameless electric dryer savings don't end with low first cost. There are few moving parts, so electric dryers are more economical to maintain. With no pilot light, they cost nothing when not in use. As a result, an average family can dry the modern electric way for only \$1.25 a month.* And because there are no fumes, flames or products of combustion, things keep fresh and new looking longer—you'll save money on your clothes.

See your dealer for the money-saving details now. No down payment. Satisfaction on any flameless electric dryer guaranteed.

Jane is a junior.

At the guest night meeting of the Mokena Woman's Club held Monday evening in the parlors of Immanuel Lutheran church, artistic arrangements for Thanksgiving and Christmas were demon- strated by Dan Martin, New Lenox florist. Names were chosen to determine the win- ners of the arrangements. They were Mrs. Elias Brown Mrs. August Bueltmann, Mrs. Robert Schultz and Mrs. William Wilson.

A short business meeting was conducted by Mrs. Lou- is Richards, president. An announcement was read from the Peotone Woman's Club inviting the local club as their guests to a cooking demonstration entitled, "Holiday Foods" on Friday, Nov. 13.

Hospital chairman, Mrs. Robert Mackey, said cardigan sweaters and bed jack- ets for women are being col- lected for patients at the Elgin State hospital. Anyone wishing to donate the above articles may contact Mrs. Mackey. The monthly hos- pital visit to Tinley Park State hospital is set for Thursday, Nov. 19. Maga- zines are delivered at the monthly visits which are dis- tributed to the patients.

Thirty-six parents were in attendance at the parents night program of the Happy Hour Kindergarten, stated Mrs. Robert Best, chairman. The class will travel to Chi- cago by Rock Island railroad and tour the LaSalle Street station as its November field trip. During a recent class period, the Cole Marinette Puppet show presented a

program for the children.

The program for the cur- rent meeting was under the American Home department with Mrs. Walter Welsch, chairman. Hostesses were: Mrs. Harold Beebe, Mrs. Robert Nixon and Mrs. James Ennis.

The annual Christmas meeting will be held in the home of Mrs. Robert Best, Arby Hills, Monday, Dec. 14, with Mrs. Lawrence Kohl and Mrs. Louis Richards assisting. The literature de- partment of the club will be in charge of the program with Mrs. John Robertson presiding.

The annual family thank- offering service of the Wo- mens Fellowship of St. John's church will be held Sunday, Nov. 22 during the regular worship service.

Mrs. Clarence Lauffer will bring the message, "From the Pilgrims to the Present." Members of the fellowship will participate in the liturgical part of the service. The family thank- offering boxes will be received and dedicated.

The following officers will be installed: Mrs. Lester Schiek, Mrs. Robert De- Forest, Mrs. Albert Lorenz, Mrs. Donald Maue, Mrs. O- wen Maue, Mrs. Harold Homerding, Mrs. Richard Martie, Mrs. Willis Schiek and Mrs. Robert Rust.

On Friday, Nov. 13, twelve ladies of the Womens Fellowship of St. John's church attended the Lay Life and Work committee meeting of the Northeast association of the United Church of Christ held in Lombard, Ill.

The Under Shepherd com- mittee will meet at St. John's church Thursday, Nov. 19 at 7:30 p.m. Additional volun- teers are needed.

The Mens Brotherhood will meet Nov. 19 at 8 p.m.

Miss Elizabeth Lehmann, a sophomore at MacMurray College and daughter of Mr. and Mrs. F. G. Lehmann, 11003 Carpenter, Mokena, participated in "Club 13", a variety show sponsored by the Women's College Phy- sical Education club, last Saturday night, November 14.

The theme of this year's show was "Dial 13," and the mistress of ceremonies, Miss Bonnie Satterfield of Normal, "dialed out" the different acts onto the stage from a telephone booth. "Club 13" has been present- ed annually since 1946.

Due to a change of plans, the Christmas bazaar being held in St. Mary's new gym will take place on Dec. 4 and 5, instead of Dec. 3, 4 and 5 as originally scheduled.

Friday, Dec. 4, the sale will be held from 10 a.m. to 8:30 p.m. Saturday, Dec. 5 from 10 a.m. to 8:30 and a spaghetti dinner will be served Saturday, starting at

5 p.m. in the new building behind the school. Tickets are \$1.25 adults, school chil- dren 50¢ and pre-school, 35¢.

Proceeds of the bazaar and dinner will be added to the building fund.

The Mokena Book Club will hold its meeting Friday, Nov. 20 at the home of Mrs. Her- bert Neef. The program will be presented by Mrs. Roger Wellmen, who will review "The Complete Book of Ab- solutely Perfect Housekeep- ing." This book by Elinor Goulding Smith is an uproar- ious guide for disorganized housewives with neat solu- tions to sloppy problems. This promises to be a lively meeting and all members are urged to attend.

Postmaster Gives Tips On Yule Mail

Postmaster L. E. Brown advises New Lenox postal patrons to begin planning now for their Christmas mailings...

Overseas parcels: Overseas parcels via surface routings should be on their way now; After Nov. 10 overseas parcels should be air

lifted to insure delivery. Greeting cards for overseas dispatch should all be mailed prior to Dec. 10 using air mail service to insure delivery...

PACKAGING OF PARCELS: All parcels should be packed in strong boxes of wood, metal, solid Fiber-

board, or strong corrugated fiberboard - individual articles should be wrapped separately and adequately protected from each other... Parcels should be covered in heavy brown paper and securely tied with strong cord. Place your return address inside parcel on card. Be sure to address one side only, write or print plain-

ly using ink or wax pencils; use zip code in address as well as in your return address. . . many large post offices are sorting parcels by zip code now and this will speed your parcel to destination. . .

CHRISTMAS CARDS: Begin now to bring your card list up to date. To obtain first class letter service use new 5 cent Christmas stamps and enclose message with cards. . . Unsealed cards

with no message enclosed may still be mailed for 4 cents, again use zip code after city and state of address. . .

Addressing: Addresses must be legible and com-

plete, should be prepared by typewriter or pen and ink; Greeting cards for distant states should be mailed prior to Dec. 10; Local states and local delivery cards should be mailed by Dec. 15. . .

Honor 129 Sandburg Athletes At Fall Banquet--

A total of 129 boys were honored at the Fall Sports Banquet sponsored by the Eagles Booster Club at Carl Sandburg last week. All of them received recognition for participation in football or cross country.

All - Southwest Suburban End Roland Roth and Jim McGhee received trophies awarded for the first time by the Orland State Bank. Roth was winner of the offensive hitting trophy; McGhee, the defensive hitting trophy.

Charlie Hefner was named All - Southwest Suburban Defensive Back, Devine announced.

Seven other boys received "hustle" awards for superior play in individual games during the season. Athletic director Joe Devine, who made the awards, said they

would "probably be discontinued next year." He explained that they were started to help pick up morale after the team suffered a shellacking at the hands of Lincoln-Way.

Glenn Aronson, president of the Boosters Club, opened the meeting with a short talk in which he outlined some of the projects scheduled by the club. At the top of the list, he said, was "getting lights for the football field," a project which he called a "big job" and one which would need the cooperation of everybody in the district. A committee has already been appointed to investigate how they could be set up, he said.

Evan H. Kelley, assistant to the superintendent in charge of Carl Sandburg, told

the group that he was "amazed that a school only 11 years old and this size has already earned so many trophies." He said he "hopes the teams will continue as they have."

Those receiving varsity letters in football were Doug Erickson, Garth Aronson, George Davidson, Charles Hefner, Larry Cobden, Rusy Mitcheff, Jim McGhee, Dan Martin, Fred Engleman, Phil Aliano, Chuck Beesley, Paul Martin and John Palmer.

Also captain Tony Molitor, Wayne Christopherson, Bill Karolich, John Arnold, Jess Powell, Neal Foley, Greg Shelkum, Ed Burke, Karl Pnizek, Bob Mulcahy, Drew Corley, Gary Kasper, Roland Roth, and George Korhorn.

Bob Johnson, Dave Hess, Ed Vrzak, Gary Vlk and Mike Potacki received certificates.

Varsity cross country letters were awarded to Tim Sedgwick, honorary captain, Chuck Crowhurst, Steve Raydon, John Biddle, and Ed Zeman.

Frosh-soph runners earning letters were Bill Reeves, Jim Sheehan and Dave Phillips. Numerals or certificates went to Nap Pozulp, Dick Dauphinas, Bob Baker, Steve Kinzel, Danny Bruce, Mark Moyle, Don Wilson, Ted Messlein, Bill Reed, Bob Miller and Chuck Mueller.

Sophomore football letter winners were Dick Henderson, Russ Wegner, Ron Marx, Len Gorney, Ed McHale, Bill Wheller, George Waldrop, Bob Kelly, Pete

DeLuca, Bob Schmude, Rich Hunt, Mike Depeder, Tom Pierson, Dennis Rehr, Ray Zadrovatz, Rudy Lavine, Floyd Larcher, Larry Moen, Jim Liniowski, Scott Brill, and Don Urbanciz.

Freshmen football numerals were awarded to Ken Miller, Bill Palcero, Pep Pettit, Dean Mihalovits, Craig Aronson, Maynard Homerding, Mike Snodgrass, Charles Jaeger, David Sullivan, Skip Vasconcellos, Bill Devine, Warren Kobilca, and Robin Crowe.

Also Mike Beck, Ray Roehne, Jim Gorney, Kurt Pnizek, Terry Thompson, John O'Connor, Bill Bunting, Bruce Goudie, Kirt Wirth, Donald Vaughn, Albert Haller, Mark Leatzow, Chuck Richardson, Bob Knittle, and Jerry Roeske.

Managers Larry Wiles and Wayne Pocielcha received letters, as well as trainer Leland McCown.

Stagg High Has Recipe For Successful Guidance

What is the formula for building a successful guidance service for high school students? The answer at Amos Alonzo Stagg high school is: Two parts of individual attention and one part group counseling. Mix well.

And Ray Bentz, principal, thinks the recipe is a good one.

Because of the school's "modular" scheduling, any student may come to the counselor for an individual conference during the first 40 minutes of each hour. At this time, he can talk about his career choice, going to college, his strong subjects, or areas in which he needs special work. Students may also discuss personal problems during these private sessions.

During the final 20-minute module of each hour, students eligible to pass from class may come to the guidance complex for special group sessions.

Altho group sessions are an integral part of the guidance service at Stagg high, Bentz stresses that the program is designed for individual attention. "Our goal is to help each student learn his strengths and weak-

Eagle Coaches Praise Efforts Of The Teams

Each coach, before he announced letter winners at the Fall Sports banquet at Carl Sandburg last week, briefly reviewed his season. Each had high praise for his team.

Joe Devine, athletic director and head football coach, reported that Eagle opponents had told him that the team "hit as hard as any team they had played all season," Devine said that this had been a successful season despite a 2-5 record, because the coaching staff "all would have liked to play two or three more games when the season ended."

He especially commended the seniors on the team, who had "exhibited great character and loyalty to their

school and to the coaching staff." The team showed "great courage" during the season, Devine said.

Perhaps the widest smile of the evening was worn by sophomore football coach Pete Jensen, whose team turned in a 6-1-1 season to place second in the conference.

The sophomore Eagles, who did not score in two of their outings, piled up 129 points for the season, while holding their opponents to 25. Jensen said that he was "especially proud that the team had come back to win" its last two games, even though they had no chance to take the championship after a 6-0 loss to Oak Lawn.

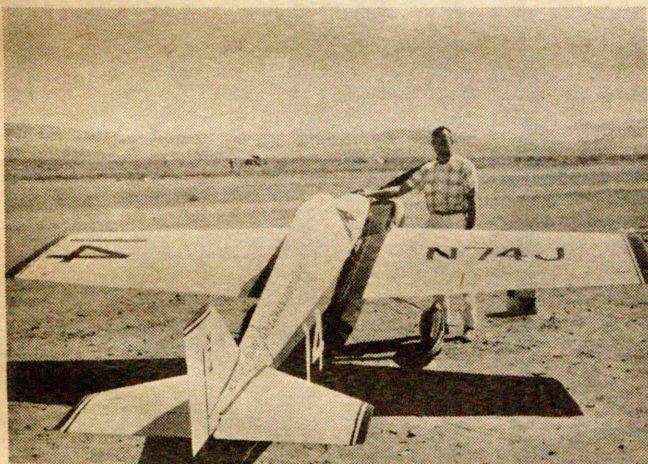

The smile became wider still when his team presented him with a stuffed squirrel "to remember them by." According to the players, Jensen used the term to indicate his displeasure with their performance.

Bob Gadt, freshman football coach, said he was glad his boys had turned in a season "better than .500," with their 4-3 record. Two of the losses were by only one touchdown, he said.

Cross-country coach John Wilson said one of the highlights of the season came when sophomore John Biddle roared to the first individual championship for the frosh-soph "in about five years."

long range plans. Completing the inventory will "help them find part-time work and pick a career," she said. The material will be offered on a voluntary basis; no one will be required to take it.

Miss Osmond, in her first year at Dist. 230, earned a masters degree in guidance from Loyola university, where she also did postgraduate work. Her undergraduate work was taken at the University of Michigan. Having taught eight years, she spent the past six years at Bloom township high school before coming to Stagg.

BUILT FOR PYLON racing was this craft in which Bob Porter, of New Lenox won the midget class at the Reno air races. These planes are especially designed for this use. They can travel better than 200 miles an hour and take the turns around the pylons so tight that you wouldn't believe it unless you saw it.

THE WINNER'S CUP in the midget class at the revival of air racing at Reno, Nev., went to Bob Porter, of New Lenox. He flew the 500-pound, 190-cubic-inch craft at an average speed of 193 m.p.h. over a two and half mile rectangular course with three 50-ft. high pylons at each end. There were six midgets in the finals and as they roared along at well over 200 m.p.h. on the straightaways and then banked around the pylons with wings vertical and not 50 feet above ground the spectators experienced thrills and chills. Pictures of the races were shown on TV. The National Air Races formerly held at Cleveland were cancelled after 1949 when a fiery crash took three lives. There have been air races on a smaller scale since 1950 but the nine-day meet at Reno promoted by Bill Stead, a cattleman and crack pilot, was the most ambitious program since 1949 and Stead hopes to make it an annual event. There were balloon events, parachute jumping, acrobatics and pylon racing for all kinds of propeller driven planes from midgets to those of WW II vintage. Porter has had considerable experience in air racing. Incidentally one of the men he beat out for the cut, Steve Wittman, formerly employed him as a racing pilot. It is an exhilarating sport, Porter said, but doesn't recommend it as a means of making a living.

RONALD M. JONES, air controlman airman, son of Mr. and Mrs. Donn F. Jones, 240 West willow lane, New Lenox, has recently completed a NATO cruise aboard the USS Independence.

Ronald, who serves as a special assistant to the carrier air traffic control officer, is a key man on the small but highly specialized team of air controlmen. (U.S. Navy Photo)

Collect Postage Stamps To Aid Vets In Projects

MRS. EDWARD HOVI
Telephone 479-5740

Mr. and Mrs. William Greene of 19644 South Catulpa ave. are requesting that the local residents collect postage stamps, which are, in turn, given to the American Legion. The American Legion contributes these postage stamps to the nearby veterans hospitals.

The veterans use the postage stamps to make card table tops, ash trays, serving trays, and other decorative items.

Those with postage stamps to contribute are asked to call Mr. or Mrs. Greene at 479-5098.

A manager's meeting of the Arbury Hills Boys Baseball League was held recently with the major topic for discussion being the rules to be enforced to eliminate baseball teams for the coming season with less friction.

The rules were established, but not as yet put into legal enforcement. It was also decided to have the ladies auxiliary serve refreshments at the December meeting to be held at the school on Tuesday evening, Dec. 8, at 8:00 P.M.

Further plans for the annual fund raising dance were discussed, and if you wish further information on the special prizes to be given out at the dance, please contact Joe Mangan at 479-3921.

The drive to collect enough S & H Trading Stamp books to obtain baseball uniforms for the coming season is moving too slowly. There is an anticipated increase in enrollment in the baseball program this coming year and there will be a need for many books in order that all boys will be

able to receive a uniform. The crop of newcomers is anticipated to be larger than last year, with the outgoing boys who are beyond the age being not enough to offset it.

If you have a book of stamps to contribute to the drive, please bring them to one of three places: Jordan Marzano at 9305 W. Magnolia Ave., Joe Mangan at 9502 W. Hickory, St., or Dick Prather at 9400 W. Willow Lane. Just one book per household would give the organization sufficient books for their purpose.

The Arbury Hills Civic Association will hold their bi-monthly meeting at the school next Tuesday, Nov. 24, at 8:00 p.m. This is the final meeting before the Children's Christmas Party at the school.

This is also the final meeting before the January elections, and therefore, the nominating committee is to be appointed at the November meeting.

The Junior Girl Scout Troop Number 103 had an outing to Lincoln-Way High School to the Operetta there, The Yeoman of the Guard. For most of the girls it was the first time that any of them had seen and heard an operetta. It was an interesting experience for all.

The Re-Dedication ceremony for the Junior Scout Troop will be held at the School in the all-purpose tomorrow night, Friday, November 20.

David and Mary Mundt of 19537 South Beechnut Drive became the parents of their second daughter on Sunday, November 8, at the Silver Cross hospital in Joliet.

Maureen Frances Mundt was a husky eight pounds three ounces at birth, and

she brought the Mundt Family to five, with three children and Mom and Dad.

It was a fortunate coincidence that the maternal grandparents happened to be visiting at the Mundt home from their farm in Iowa, when Miss Maureen made known her desire to be born.

Grandma and Grandpa accommodated her by taking three year old Donald Mundt and his little sister Janet, who is one year old, home with them to Iowa. The children returned home to see their new sister shortly after Mom and baby returned home from the hospital.

The Summit Hill Parent-Teacher Group held their business meeting and open house at the school last Thursday evening, Novem-

Red Cross Ready To Tape Yule Messages For Overseas Veterans

Voices from Home recordings will carry Christmas greetings to servicemen who won't be home for the holidays.

Red Cross offers the free service each year at Christmas time. Foreign exchange students also are invited to send messages to their families abroad and parents of Will County exchange students in foreign countries may record holiday greetings.

The records carry a three - minute message, taped and then processed into a platter suitable for mailing.

Will County regional office of Mid-America Red Cross Chapter, 222 N. Broadway, Joliet, will make appointments, beginning Monday, November 23, for families who wish to send the holiday greetings through the Voices from Home program.

Anyone interested may telephone 723 - 3494 and ask

ber 12. It was discussed and voted upon that, due to the resignation of Mr. Harold Fitch as adult supervisor of the Teens club, that the Parent - Teacher Group would take on sponsorship of the club.

The third grade mothers accepted as hostesses for the evening, as the people viewed the class rooms and the youngster's work which had been placed on the desks. Most of the teachers were there to talk to the parents also.

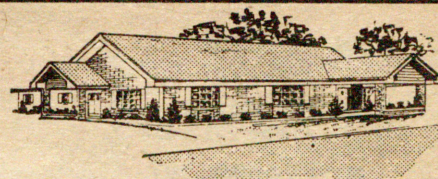

The next meeting of the group will take place at the school on Thursday evening, December 10, at 8:00 P.M. There will be a program of Christmas music provided by the Arbury Hills Chorus.

for an appointment to come to the Red Cross office and record three minutes of greetings. Red Cross suggests that a short rehearsal at home and a few notes in hand will help in preparing the recording.

Processing will take a few days and then the record will be ready to send in a special mailing envelope.

People who live at a distance from Joliet may call any conveniently located Red Cross office elsewhere and ask for Miss Egan.

Last year Voices from Home recordings went to 11 overseas locations for servicemen and foreign students.

Sertoma Invites Men To Join Mokena Club

Members of Sertoma International, a service club, are in the process now of organizing such a unit in the Mokena area. This area, according to the organizers, reaches out to Orland Park, Tinley Park, Frankfort, New Lenox and even into Joliet.

According to the North Illinois district governor, Robert E. Apato, who with members of his Southwest club from Evergreen Park are working to form a Mokena club, dinner meetings are scheduled for Tuesday evenings at 8 o'clock at the Willow Run Country club, and those interested in becoming Sertoma members are invited. For further information regarding the meetings one may contact Mr. or Mrs. Clarence Graham at Willow Run, 485-2321.

Mokena Youth In Maneuvers Off So. Spain

Michael O. Triebe, machinist's mate fireman, USN, son of Mr. and Mrs. George W. Triebe of 9650 West 191 st., Mokena, is visiting ports in the European area following participation in the largest amphibious combat training exercise in the Atlantic since World War II. He is serving aboard the dock landing ship USS Hermitage.

The operation, called "Steel Pike," featured U. S. and Spanish Marines landing from landing craft and helicopters of a combined U.S.-Spanish Fleet of 94 vessels which included ships of the United States Military Sea Transport Service and chartered ships of the U.S. Merchant Fleet.

R. E. APATO

Sertoma, Mr. Apato explained, means "Service to Mankind" and is growing rapidly. The membership is made up men from all professions, industry and agriculture. The organization is now in its 53rd year having been formed in 1912 at Kansas City, Mo. There are now 450 clubs in the United States, Canada and Mexico, Mr. Apato said, with more than 20,000 members. Sixteen clubs comprise the North Illinois district with 600 members. The club that is being formed in the Mokena area would be affiliated with this group.

Service to youth, the district governor said, is one of Sertoma's important objectives but each Sertoma club plans its own work to fit the needs of the community it serves.

Will County Health Board Discusses Air Pollution

At their regular quarterly meeting members of the Will county board of health expressed concern over the status of air pollution in the county. The board concluded that clean and safe air is essential in maintaining the health of Will county residents and that the quality

of the air should be a concern of the Will county health department.

Dr. Herbert S. Miller, county health officer stated that 50 complaints concerning air pollution were filed with the department in 1963. Not all of the complaints could be resolved because of the lack of personnel and equipment necessary to assay the nature of the pollutant and pinpoint the sources from which they are being emitted, he said.

"With approximately 215,000 people, 73,000 passenger vehicles and 200 industries in this county, we should begin to take a close

look at the air we breathe," said Dr. Miller. "While we do have some idea about isolated air pollution problems from the complaints filed with us, we really don't know much about the quality of the air in Will county. We need to study the problem and try to determine what kind of pollutants are in our air, if the pollutants exist at high or low levels and where the pollutants are coming from," commented Miller. "We know from our experiences with water pollution that it is easier to prevent pollution from occurring than to try to clean it up after it happens."

Will county is not the only place where air pollution is beginning to emerge as a public health problem. In many of the metropolitan and industrial communities air pollution is reaching alarming levels, it was said. In certain areas in Pennsylvania, New York and California air pollution emergen-

cies have taken place in which industry was forced to shut down, and people were restricted in the use of their automobiles.

"These kinds of emergencies can be prevented if we know our problem and have taken the necessary steps to control it," Dr. Miller concluded.

Obituary

Mrs. Alvina Kunzman, 81, of 17 Bowen st., Frankfort, died suddenly at her home Friday, Nov. 13.

She was born Oct. 18, 1883 in Peotone township and lived in this area most of her life.

Mrs. Kunzman was a member of St. Peter's church and the VFW Auxiliary Post #725, Mokena.

Survivors include four sisters, Miss Frieda Jenens of Frankfort, Mrs. Ida Meyer of Peotone, Mrs. Hilda Hick and Mrs. Leona Thoms, both of Blue Island; one brother, Emil Jenens of Tinley Park.

Preceded in death by her husband Frank in 1957; her parents, Mr. and Mrs. Charles Jenens and three brothers, Charles, William and Harry.

Funeral services were held Monday, Nov. 16 at 1 p.m. from the Hirsch Memorial Chapel. Rev. LaVern Smith officiated. Interment in Pleasant Hill cemetery, Frankfort.

Village Will Press Charges Against Youths

At a meeting of the Frankfort village board it was the unanimous opinion that Village Attorney A. H. Krusemark should recommend stiff punishment for the six youths arrested for damaging village property on Halloween. The case is scheduled for hearing tomorrow before Magistrate George Sangmeister in the Mokena branch of the circuit court.

Village property was damaged to the extent of \$60 it was charged. One of the six is said to be a juvenile and his name was not made public. The other five are Norman Siekman, 17, 191st and Central, Tinley Park; Eugene Adams, 18, Indianapolis, Ind.; Neil Twietmeyer, 18, Harlem ave., Frankfort township; Dennis Schmackpaper, 17, Rt. 1, Mokena and John Harwood, 17, 78th ave., Lincoln Estates.

Under the ordinance, it was stated, they could be fined a maximum of \$500 each.

PICKS UP RUNAWAYS
Two runaway 14-year-old boys from Davenport, were turned over to a juvenile officer from the Iowa city Monday night by Frankfort Police Chief Francis Simon. The chief took the boys in custody shortly before 2 o'clock Monday afternoon at the intersection of U.S. 30 and 45.

RIVIERA LAKE CLUB RIDING STABLES

With pride, Professor Arthur Konyot and Mr. William Budde announce the opening and immediate availability to you of one of the newest and finest riding schools in the country, **Located At 143rd & 88th Court.**

Whereas professional riding, English type and dressage, has previously been a sport of kings, this true art of riding is here available to all who are interested in horsemanship.

Our school is geared to the instruction of from beginners to over and above whatever your present level of riding may be. We wish to stress that all with an interest in horsemanship are welcome in our classes regardless of age or present riding capabilities.

Our stables, indoor and outdoor training arenas, are serviced with only the finest handpicked horses. At present thirty are in service and more will be added as the proper horses become available.

The Riviera Riding Club Stables is managed and continually supervised by Mr. William Budde and Professor Arthur Konyot; two of the best known and respected names in the art of horsemanship. Mr. Budde specializes in the teaching of equitation, basic and advanced jumping and dressage. He has taught in some of the most famous schools in this country. Professor Konyot is world famous as the master teacher of dressage. He has taught and performed before the royal courts of Europe. The art of horsemanship and the name Professor Konyot go hand in hand. He is the worlds finest teacher and trainer.

Assisting Mr. Budde and Professor Konyot is Miss Margaret Hyde. She has been selected by them because of her outstanding riding and teaching abilities.

Combining the above instructors with our fine facilities and choice horses, we are certain we can assure you an atmosphere and scope of training second to none now available.

If interested in riding there is only one way to learn - the right way, which costs no more and takes less time than trying to learn from promiscuous trail riding or hit and miss forms of instruction.

Please feel free to visit our facilities at any time. We are certain the time spent will be most enjoyable.
